

# History GCSE Revision Guides

Pupils do not have to get revision guides, however many find them helpful. This revision guide, which we also use in school, covers 3 of the 4 units we study in our GCSE.

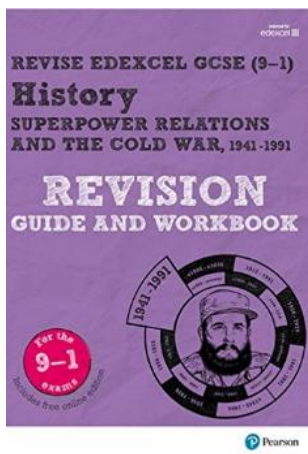

These are available through school for £3 (RRP is £6.95)

It is possible to buy separate revision guides for each of our units. They are currently priced at £3.99 each on Amazon:

Other revision guides with workbooks for the course are also available, again sold separately for our 4 units:

These are currently priced on Amazon at £5.81 new, or cheaper for used copies. Look for the purple covers.
