

September 2018.

Dear Parent/Carer,

Our Year 10 and 11 students often enquire where they can buy copies of the books we are studying for their GCSE English courses, along with supporting revision guides. Therefore, we regularly make group purchases of the books and supporting revision guides, using our school discount, so that buying copies of the books is as economical as possible.

Please find an order form on the reverse of this letter, detailing the available titles. They include the texts we are studying, together with a range of study guides to support those texts. We have also added a book to support the key skills of spelling, punctuation and grammar, since more marks are now allocated to these skills in the exams.

Please bear in mind that many students have already purchased some of these titles, especially *The Sign of the Four*.

Please place a tick in the far right column to indicate the titles you wish to purchase, and bring the completed form to reception, along with payment. Reception will give you a receipt, which must be handed in along with the order form to Mr Bunker, or your child's English teacher.

Yours faithfully,

Mr David Bunker
Curriculum Leader of English
