To our families,

Re: Distance Learning Facilities

With our whole academy moving to distance learning due to the current Covid regulations, some of our community are finding it difficult to get access to Show my Homework; siblings needing to share a laptop, for example.

Whilst we have been able to support some through older academy devices and a delivery of laptops during the summer from the Department for Education, we are still short to meet the needs of all our students.

We would be extremely grateful for any donations of unused devices that can be redistributed to our young people that need them. Laptops, desktop computers, even tablet devices would be helpful. These will be directly allocated to families who would then retain the responsibility of ensuring that they are used sensibly, safely and kept in good condition.

If you feel you could help, please email me simon.jones@clf.uk

Thank you in advance for your support,
