This Policy has been written as guidance for staff, parents or carers and young people with reference to the following guidance and documents:

- * [The Children and Young Persons Act \(2008\): Section 20 Education](#)
- * [Roles and Responsibilities for the Designated Teacher for Children in Care \(DCSF 2009\)](#)

3. Aims and Objectives of this Policy

3.1 The Academy recognises that:

- Young People who are in the care of the Local Authority have the same rights as all young people, but may have additional needs due to attachment issues, early neglect, separation and loss, trauma and many placement moves. These barriers to learning can affect their educational outcomes and their personal, social and emotional development.
- There are commonly understood reasons (Social Exclusion Unit Report :2003] why young people who are in the care of the Local Authority often fail to make expected progress in education :
 - Placement instability
 - Higher than average absence from the Academy
 - Insufficient help if they fall behind
 - Unmet needs - emotional, mental, physical

3.2 We at Bristol Brunel Academy will do for young people in care what we do for all young people - only more so. We recognise that young people in care often have additional barriers to learning and therefore require additional support. We aim to ensure that young people in care excel, as we aim for all young people to excel. We aim to overcome their barriers to learning and enable them to leave us as happy and secure individuals, understanding that they **do** have control over their destiny and that education **does** matter.

3.3 We will listen to what young people in care tell us about what they want from their education and try to address any concerns or issues raised through various means including liaison with The HOPE School (Bristol's Virtual School for children in care), Student Council and surveys.

3.4 Bristol Brunel Academy strives to ensure that the culture and ethos of the school are such that, whatever the heritage and care status of members of the school, young people should be provided with the opportunity to experience, understand and celebrate diversity.

3.5 Bristol Brunel Academy will specifically support young people in care by:

- Ensuring an effective induction when joining the Academy or when coming into care whilst already on the Academy roll;
- Balancing high levels of support with real challenge;
- Ensuring that each CiC has a high quality Personal Education Plan;
- Linking each CiC to a key worker they relate well to;
- Making it a priority to know the young people well and to build strong relationships;
- Developing strong relationships with carers, local authorities including the Virtual School Head and specialist agencies;
- Encouraging and supporting young people in care to take responsibility for their learning;
- Engaging young people in care in learning outside the classroom and at after-school activities;
- Intervening promptly if a problem emerges such as with behaviour or attendance;
- Giving integrated but low profile support in school for each CiC so that they are not made to feel different from other young people;
- Planning for future transitions e.g. to further or higher education.
- Ensuring that CiC specific Pupil Premium Funding (PP) is targeted to meet their specific needs.
- Recognising that they may have missed aspects of their education or social development and put in place plans to help them catch these up.
- Running specific raising aspirations events targeted at CiC.

4. Definitions and Designated Teacher

4.1 Children in care

The terms Looked After Child (LAC) and Child in Care (CiC) are interchangeable. For the purposes of this policy, we are using the term CiC, as it is the one that is preferred by the young people in Bristol who have been consulted. Under the Children Act 1989, a child is looked after by a local authority if he or she is in their care or is provided with accommodation for more than 24 hours by the authority. They include the following:

- (i) young people who are accommodated by the local authority under a voluntary agreement with their parents;
- (ii) young people who are the subject of a care order or interim care order;
- (iii) young people who are the subject of emergency orders for the protection of the child;
- (iv) young people who are compulsorily accommodated. This includes remanded to the local authority or subject to a criminal justice supervision order with a residence requirement.

A Child in Care may be in residential care, a foster placement or could be living with their parents. If living with their parents, this could be on a part time basis or possibly before returning home permanently after a care placement.

4.2 The Designated Teacher for Children in Care at Bristol Brunel Academy is:

Role	Name	Contact
Designated CiC Person	Sophie Palmer	sophie.palmer@bba.bristol.sch.uk

4.3 The named Councillor for Children in Care at Bristol Brunel Academy is:

5. Supporting those in Care

5.1 Personal Education Plans (PEPs)

All young people in care must have a Care Plan, which is drawn up and reviewed by the Local Authority that looks after them. The Care Plan must include a Personal Education Plan (PEP), which forms part of the CiC's official school record. The Academy and the Local Authority have a shared responsibility for making sure that the PEP is a useful document and for helping young people in care to achieve and enjoy. Discussion about how together they can make that happen through the content, implementation and review of the PEP should be done through a meeting involving the CiC, carers, the social worker, a teacher and others such as, where appropriate, staff from The HOPE Virtual School for Children in Care.

The PEP should include challenging, curriculum-based targets and support the CiC's educational progress. If the CiC has a Statement of Special Educational Needs or Education, Health and Care Plan, this should be reviewed annually and should, where possible, tie in with the PEP.

5.2 Additional funding – CiC Pupil Premium

Young people in long term care are entitled to additional funding to help improve their outcomes and narrow the gap between their outcomes and those of their peers. Which young people are eligible and the amount of such funding available will be determined as a result of government policy.

The Academy is committed to ensuring effective use of this dedicated funding where available for all eligible young people in care on roll to provide additional, personalised support to ensure accelerated progress in order to improve outcomes.

The appropriate use of allocated funding is to be assessed through the Personal Education Plan.

The Designated Teacher will report to the Council in the Annual Report on CinC on how this is used and the impact that it has.

5.3 Personalised tuition

All young people in care are entitled to additional personalised tuition in English and/or maths, outside of the core curriculum, as part of the government scheme even if they appear to be reaching expected levels. This Academy is committed to prioritising all young people in care for this tuition, and allocating Pupil Premium to fund it where required. This tutoring may be 1:1, 1:2 or small group as is deemed most appropriate to the needs of the individual(s).

5.4 Admission/Induction Arrangements

Young people in care are a priority for admission and, as such, we will follow the Local Authority's published admission criteria. On admission to the Academy or to care, carers will be given an introductory booklet about the Academy's expectations and processes and the CiC will meet with the Designated Teacher for Children in Care. The Designated Teacher will identify any relevant issues, academic or pastoral, and ensure the CiC is made to feel supported in our Academy. Consideration will be given to giving the CiC a peer mentor if this will support their progress.

On admission, records will be requested from the CiC's previous school. As soon as practicable after the records are received, a meeting will be held with the carer/parent, social worker, other relevant professionals and the CiC, as appropriate, to put together a new Personal Education Plan. This early meeting will ensure that communication systems are established early. If records are not received promptly we will undertake our own assessment to make sure that the teaching and support received are appropriate. We will endeavour to meet the statutory time scales for PEPs as outlined in guidance.

When young people already on the Academy roll enter care the Academy will ensure that the CiC

meets with the designated teacher as soon as possible and is fully informed of the Academy procedures and additional support arrangements available. A meeting with other parties will be arranged and an initial PEP meeting must be held within 28 days.

At the first PEP meeting, we will seek clarification from the social worker as to who requires school reports and who may give permission for school trips or other such activities. At this meeting any means of communication to aid the exchange of information between statutory meetings will be discussed and agreed (such as a home/Academy book to detail any sudden significant changes in a child's circumstances.)

5.5 School Trips and Special Activities

We aim to ensure that young people in care enjoy as many extra curricular opportunities as possible by reserving placements for them on trips or enrichment activities which they are eligible for and allowing sufficient time to gain the necessary consent.

5.6 Leaving Arrangements

When a CiC leaves the Academy we will find ways to say goodbye. We will also ensure the swift transfer of information to the next school or FE/HE institution if appropriate. Where possible, if a destination is known in advance, the future institution will be invited to the final PEP to confirm transition arrangements. All Year 11 Young People in Care will be asked if they would like their preferred post-16 provider to be invited to their PEP as required by the LA guidance.

6. Complaints procedure

6.1 If a CiC, parent/carer or social worker wishes to complain about the provision or policy, they should in the first instance raise it with the Designated Teacher, who will try to resolve the situation alongside the carer and the social worker.

6.2 If the issue cannot be resolved within 10 days, the CiC, carer or social worker can submit a formal complaint in writing to the Principal. The Principal will investigate the complaint and respond within 10 working days, unless the formal complaint is about the conduct of the Principal, in which case the complaint will go straight to the chair of the Academy Council.

6.3 Any issues that remain unresolved at this stage should be addressed through a meeting in order to assess the impact of any such complaint upon the CiC's education. This meeting may include the named Councillor and any other outside agency that both parties deem necessary to attend. This meeting should normally be held within 10 working days of the Principal's response.

6.4 Pupils who wish to make a formal complaint against the school or about their care will be advised of the support available for young people in care through Reconstruct and encouraged to look at the page on Bristol's children in care [R Voice website](#).
